## Wynterhall Swim & Tennis Club June 2007 Newsletter

### **President's Message: Justin Taptich**

As I sit here writing to you from Disney World, my attention is somewhat divided ☺, so here goes my best stream-of-consciousness effort....

I am so very thankful to all of those folks that have made the summer thus far so successful at WSTC. The pool looks great, and many thanks to the grounds and pool experts and volunteers for keeping things watered, clean, and beautiful. I believe that we have done a great job of keeping the pool area clean. Many thanks to Lex, Scott, Bobby D, and our members for their continued diligence. Remember, we are all responsible for cleaning up after ourselves, including our children. If you make a mess, please clean it up (especially around the tables and in the bathrooms)!

The social events have continued to be great fun! I thought the Memorial Day party was a huge success, with over 100 people eating Willy's and listening to great music. I know we have other events to look forward to in the next several weeks, so please stay tuned to your email as well as the website ([www.wynterhall.com](http://www.wynterhall.com)) for further details. Many thanks to Mary and Polly for their hard work and great ideas!

The tennis programs continue to be a great hit! My thanks to Myra and the team captains for continuing to organize this for everyone!

My congratulations to the swim and dive teams for their record over the first couple of meets. Coaches, swimmers, and divers, please keep up the great work! My personal thanks to all the sponsors and volunteers who have made this possible!

We are currently at full membership. Please have any families interested in membership let Kim Foster know through the website email.

As I mentioned in our earlier newsletter, one of my projects for this year has been evaluating the existing facilities. I have spent the past 4-6 weeks working with an architect to evaluate several options for updating and upgrading our facilities. I have solicited/incorporated input from many different members, which has been very helpful and much appreciated. I am now at a point where I am able to share a proposal/vision with the membership. I will have a series of meetings, the first of which will be on Thursday, July 12<sup>th</sup> at 7pm at the Dunwoody Public Library. I will also publish two other dates where I will do subsequent presentations since many folks will be on vacations at different points during the summer. At these meetings, I will be presenting a proposal and outlining the process for going forward should we decide to do so.

During this process, there will be many questions, concerns, and opinions. I welcome them all, and expect everyone to please be patient as we go through this process. Please be clear, my intent through all this is two-fold: (1) acting in the best long-term interest of the club (strategically & fiscally), and (2) continuing to be a good neighbor to those surrounding the WSTC property.

I look forward to seeing you at the pool!

### Pool News: Lex Sheehan

I would like to acknowledge the great work  
that our life-guards and pool  
management company are doing.

The pool water has been clear!

The lifeguards have been attentive and the  
restrooms and tables have been  
clean.

I would like to remind everyone to keep  
swim diapers and appropriate swim  
gear on children that are not yet potty  
trained.

Let's all do our part to keep our pool open  
this season.

The Lost & Found is a big success...almost  
too big. Please come and claim your  
belongings.

A book-share container will be stored in the  
Lost and Found cabinet on the top  
shelf so members can enjoy pre-read books  
and periodicals.

When our pool is busy, please allow our life  
guards to rest during their 15  
minute adult swim breaks. We want our life  
guards to be ready to focus on  
our children's safety while on duty.

See you at the pool!

### Swim News: Casey Hopkins

We have had two great home meets, beating  
Roxboro and losing to Dunwoody Country Club.  
Thank you to the coaches and all the volunteers  
for making the meets go smoothly.

Here is our remaining schedule:

**Meet 3** - Tuesday, June 12 at Village Mill  
**Meet 4** - Tuesday, June 19 at Kingsley  
**Meet 5** - Tuesday, June 26 at Hampton  
Hall South

**NASA Championship** - Sat-Sun, June 30-  
July 1

### Dive Team News: Susan Kee

Wynterhall divers are off to a winning  
season. We have won our meets against  
Smyrna, Smoke Rise and Redfield. Two  
more meets to go! Championships are  
scheduled for June 28 & 29 at Georgia  
Tech. Divers, come celebrate the end of a  
great season at the Swim/Dive Team  
banquet on Thursday, June 28<sup>th</sup>!

### Social News: Mary Cozart & Polly Frederick

Summer is here and is off to a great start.  
We kicked off the season with a fantastic  
Memorial Day Celebration. The food,  
games and entertainment were quite a hit!  
Thanks to the Dale Hall Band for a  
wonderful show and to Corrine Sbaratta for  
leading the children's games.

We would like to have your input on the  
idea of having live entertainment for our  
future WSTC sponsored parties. If you  
would like to share your thoughts, please  
contact us through the [wynterhall.com](http://wynterhall.com)  
website.
