The tennis courts have kept busy too. Children's tennis clinics and another great season for our USTA and mixed ALTA teams. We hope you enjoyed the summer as much as we have!

Please note, our annual WSTC meeting will be held November 19<sup>th</sup> at the library. A reminder will be sent out in October. If you are interested in finding out about next year's open board positions, please contact Lisa Beiger (lbeiger@msn.com).

### **SOCIAL NEWS: MICHELE NORWOOD & GEORGIA CONNELL**

Thank you to all who came out for our 4th of July party! It was a great time. A special thank you to WSTC member, Mark Nations, for providing the fun tunes while we ate, swam and hung out with friends and family.

It's hard to believe, but the end of summer days and nights at the pool are already here...close the season with a bang by attending our annual WSTC Labor Day Potluck! This year we will be having it on **Sunday, September 6th** starting at 4:30pm. Please see the enclosed flyer for more details and we are looking forward to seeing you there.

Lastly, as we look ahead to next summer at the pool, we will need two new social co-chairs. If you are interested in finding out more about this fun position on the board, please contact Michele at [michelewnorwood@gmail.com](mailto:michelewnorwood@gmail.com) or 404-246-2567.

See you at the Labor Day Party!

### **MEMBERSHIP: ANN HEWATT**

It is hard to believe the summer pool season is quickly coming to end and the fall tennis season is gearing up. Membership at WSTC is going well and it is still the hottest ticket in town. We do have a few openings for immediate membership so if you have any friends that are considering joining please encourage them to contact me. Even though we have openings at the moment, we will have a waitlist once 2010 comes around. Have a great fall!

### **POOL NEWS: CURT MOREY**

Health inspector gave us favorable reports at the end of July and repeat visit in beginning of August. He left some suggestions to bring us up to 100%. The baby pool umbrella is still under repair. I am in contact with the company to send a new piece that needs to be replaced. I have also been in contact with Sears Pool Company about the ladder in the southwest corner of the pool (it's leaning), compliance with the health inspector's report, and the bricks around the baby pool being slippery when wet. Enjoy the rest of your summer days at the pool!
